

ETAP640 Course Feedback

Hi! The feedback collected here is to specifically explore your experiences with some of the additional web tools used to enhance the ETAP640 online course environment. Your answers to these questions will help inform the understanding of your experience in this online course. As i mentioned to you, this course was was an experimental experience for me to explore the instructional potential of various tools and techniques first hand. There are 10 questions, your answers are anonymous and you can only fill it out once. (FYI - i am using polldaddy for this, a free online survey tool, to test it out :)
